	)	

This Stipulated Settlement Agreement (“Agreement”) is entered into by and between Plaintiff Center for Biological Diversity (“Plaintiff”) and Defendants the United States Fish and Wildlife Service (“Service”) and Debra Haaland, in her official capacity as Secretary of the United States Department of the Interior (“Interior”) (collectively, “Defendants”), who, by and through their undersigned counsel, state as follows:

WHEREAS, the Endangered Species Act (“ESA”) provides that within 12 months after receiving a petition that is found to present substantial information indicating the

1 petitioned action may be warranted, the Secretary shall make a finding as to whether the  
2 petitioned action is not warranted, warranted, or warranted but precluded, 16 U.S.C.  
3 § 1533(b)(3)(B)(i)–(iii);

4 WHEREAS, the ESA provides that, if the Service finds that the petitioned action  
5 is warranted, the agency “shall promptly publish in the Federal Register a general notice  
6 and the complete text of a proposed regulation to implement” the petitioned action and  
7 take other procedural steps, 16 U.S.C. §§ 1533(b)(3)(B)(ii), (b)(4)–(5);

8 WHEREAS, the ESA provides that, if the Service finds that the petitioned action  
9 is not warranted or warranted but precluded, then that finding is subject to judicial  
10 review, 16 U.S.C. § 1533(b)(3)(C)(ii);

11 WHEREAS, when the Service finds that the petitioned action is warranted but  
12 precluded, the ESA requires the Service to treat the petition as one that is resubmitted as  
13 of the date of the finding and that presents substantial scientific or commercial  
14 information that the petitioned action may be warranted, 16 U.S.C. § 1533(b)(3)(C)(i);

15 WHEREAS, as a means of tracking its resubmitted petitions, the Service adds  
16 species for which it has found that listing is warranted but precluded to a “candidate  
17 species” list, and the Service makes its required annual findings on these species through  
18 the Candidate Notice of Review (“CNOR”);

19 WHEREAS, on August 9, 2021, the Service published the CNOR identifying  
20 nineteen foreign species that are candidates for listing as threatened or endangered

3 *marcellinus*); and Kaiser-i-hind swallowtail (*Teinopalpus imperialis*); 86 Fed. Reg.  
4 43,470 (Aug. 9, 2021);

5 WHEREAS, on August 26, 2021, Plaintiff sent Defendants a letter stating  
6 Plaintiff’s intent to file suit challenging the Service’s warranted-but-precluded findings  
7 for the nineteen species identified above;

8 WHEREAS, on November 19, 2021, Plaintiff filed the above-captioned action  
9 challenging the Service’s warranted-but-precluded findings for seven of the species  
10 identified above—southern helmeted curassow, black-backed tanager, Okinawa  
11 woodpecker, fluminense swallowtail, Harris’ mimic swallowtail, Jamaican kite

14 WHEREAS, for any proposed rule submitted to the Office of the Federal Register  
15 for any species listed in Paragraph 1, the Service intends to make a final listing  
16 determination in accordance with the statutory timeframes provided in 16 U.S.C.  
17 § 1533(b)(6)(A)–(B);

18 WHEREAS, the Service intends to issue either a warranted or not warranted  
19 finding pursuant to 16 U.S.C. § 1533(b)(3)(B)(i) or 16 U.S.C. § 1533(b)(3)(B)(ii) for the  
20 four following species by the following dates, in accordance with the multiple-species  
21 packages reflected in the September 2021 Foreign Species Workplan: Sira curassow on  
22 or before May 25, 2023; Hahnel’s Amazonian butterfly on or before July 27, 2023;  
23 Brasilia tapaculo on or before April 30, 2026; and helmeted woodpecker on or before  
24 April 30, 2026;

25 WHEREAS, the Service intends to endeavor to issue a warranted or not warranted  
26 finding pursuant to either 16 U.S.C. § 1533(b)(3)(B)(i) or 16 U.S.C. § 1533(b)(3)(B)(ii)  
27 for the Okinawa woodpecker before October 23, 2025, should resources become  
28 available to do so;

1 WHEREAS, the Service plans to hold an annual meeting, through July 29, 2027,  
2 with Plaintiff to discuss Plaintiff's and the Service's priorities as they relate to the  
3 Foreign Species Workplan;

4 WHEREAS, Plaintiff and Defendants (collectively, "the parties"), by and through  
5 their authorized representatives, and without any admission or final adjudication of the  
6 issues of fact or law with respect to Plaintiff's claims, have negotiated a settlement that  
7 they consider to be in the public interest and a just, fair, adequate, and equitable  
8 resolution of the disputes set forth in Plaintiff's Complaint;

9 NOW, THEREFORE, the parties hereby stipulate and agree as follows:

10 1. The Service shall submit to the Federal Register for publication either a  
11 warranted or a not warranted finding pursuant to 16 U.S.C. § 1533(b)(3)(B)(i) or 16  
12 U.S.C. § 1533(b)(3)(B)(ii) for the following species on or before the following dates:

- 13 a. Southern helmeted curassow on or before May 25, 2023.
- 14 b. Fluminense swallowtail on or before July 27, 2023.
- 15 c. Harris' mimic swallowtail on or before July 27, 2023.
- 16 d. Okinawa woodpecker on or before October 23, 2025.
- 17 e. Jamaican kite swallowtail on or before February 26, 2026.
- 18 f. Black-backed tanager on or before April 30, 2026.
- 19 g. Kaiser-i-hind butterfly on or before July 29, 2027.

20 2. The order entering this Agreement may be modified by the Court upon  
21 good cause shown, consistent with the Federal Rules of Civil Procedure, by written  
22 stipulation between the parties filed with and approved by the Court, or upon written  
23 motion filed by one of the parties and granted by the Court. In the event that either party  
24 seeks to modify the terms of this Agreement, including any of the deadlines specified in  
25 Paragraph 1, or in the event of a dispute arising out of or relating to this Agreement, or in  
26 the event that either party believes that the other party has failed to comply with any term  
27 or condition of this Agreement, the party seeking the modification, raising the dispute, or  
28 seeking enforcement shall provide the other party with notice of the claim or

1 modification. The parties agree that they will meet and confer (either telephonically or in  
2 person) at the earliest possible time in a good-faith effort to resolve the claim before  
3 seeking relief from the Court. If the parties are unable to resolve the claim themselves,  
4 either party may seek relief from the Court.

5 3. In the event that Defendants fail to meet a deadline specified in Paragraph 1  
6 and have not sought to modify it, Plaintiff's first remedy shall be a motion to enforce the  
7 terms of this Agreement, after following the dispute resolution procedures described  
8 above. This Agreement shall not, in the first instance, be enforceable through a  
9 proceeding for contempt of court.

10 4. This Agreement requires only that the Service take the actions specified in  
11 Paragraph 1. No provision of this Agreement shall be interpreted as, or constitute, a  
12 commitment or requirement that Defendants take action in contravention of the ESA, the  
13 APA, or any other law or regulation, either substantive or procedural. Nothing in this  
14 Agreement shall be construed to limit or modify the discretion accorded to the Service by  
15 the ESA, the APA, or general principles of administrative law with respect to the  
16 procedures to be followed in making any determination required herein, or as to the  
17 substance of any determination made pursuant to Paragraph 1. To challenge any final  
18 determination issued pursuant to Paragraph 1, Plaintiff will be required to file a separate  
19 action. Defendants reserve the right to raise any applicable claims or defenses to such  
20 challenges.

21 5. Without waiving any defenses or making any admissions, Defendants agree  
22 to pay Plaintiff \$25,000 in attorneys' fees and costs. Plaintiff agrees to accept the \$25,000  
23 from Defendants in full satisfaction of any and all claims, demands, rights, and causes of  
24 action for any and all attorneys' fees and costs Plaintiff reasonably incurred in connection  
25 with the above-captioned litigation through the signing of this Agreement.

26 6. Plaintiff agrees to furnish Defendants with the information necessary to  
27 effectuate the payment set forth by Paragraph 5. Payment will be made to Plaintiff by  
28 electronic funds transfer. Defendants agree to submit all necessary paperwork for the

1 processing of the attorneys' fees award to the Department of the Treasury's Judgment  
2 Fund Office within fifteen (15) days from receipt of the necessary information from  
3 Plaintiff or from approval of this Agreement by the Court, whichever is later.

4 7. By this agreement, Defendants do not waive any right to contest fees and  
5 costs claimed by Plaintiff or Plaintiff's counsel in any future litigation or continuation of  
6 the present action.

7 8. No part of this Agreement shall have precedential value in any litigation or  
8 in representations before any court or forum or in any public setting. No party shall use  
9 this Agreement or the terms herein as evidence of what does or does not constitute a  
10 reasonable timeline for making determinations regarding the listing of any species.

11 9. Nothing in this Agreement shall be construed or offered as evidence in any  
12 proceeding as an admission or concession of any wrongdoing, liability, or any issue of  
13 fact or law concerning the claims settled under this Agreement or any similar claims  
14 brought in the future by any other party. Except as expressly provided in this Agreement,  
15 the parties do not waive or relinquish any legal rights, claims, or defenses they may have.  
16 This Agreement is executed for the purpose of settling Plaintiff's Complaint, and nothing  
17 herein shall be construed as precedent having preclusive effect in any other context.

18 10. Nothing in this Agreement shall be interpreted as, or shall constitute, a  
19 requirement that Defendants are obligated to pay any funds exceeding those available, or  
20 take any action in contravention of the Anti-Deficiency Act, 31 U.S.C. § 1341, or any  
21 other applicable appropriations law.

22 11. The parties agree that this Agreement was negotiated in good faith and it  
23 constitutes a settlement of claims disputed by the parties. By entering into this  
24 Agreement, the parties do not waive any legal rights, claims, or defenses, except as  
25 expressly stated herein. This Agreement contains all of the terms of agreement between  
26 the parties concerning Plaintiff's Complaint, and is intended to be the final and sole  
27 agreement between the parties with respect thereto. The parties agree that any prior or  
28

1 contemporaneous representations or understanding not explicitly contained in this written  
2 Agreement, whether written or oral, are of no further legal or equitable force or effect.

3 12. The undersigned representatives of each party certify that they are fully  
4 authorized by the party or parties they represent to agree to the terms and conditions of  
5 this Agreement and do hereby agree to the terms herein. Further, each party, by and  
6 through its undersigned representative, represents and warrants that it has the legal power  
7 and authority to enter into this Agreement and bind itself to the terms and conditions  
8 contained in this Agreement.

9 13. The terms of this Agreement shall become effective upon entry of an order  
10 by the Court ratifying the Agreement.

11 14. Upon adoption of this Agreement by the Court, all counts of Plaintiff's  
12 Complaint shall be dismissed with prejudice. Notwithstanding the dismissal of this  
13 action, however, the parties hereby stipulate and respectfully request that the Court retain  
14 jurisdiction to oversee compliance with the terms of this Agreement and to resolve any  
15 motions to modify such terms. *See Kokkonen v. Guardian Life Ins. Co. of Am.*, 511 U.S.  
16 375 (1994).
